***Late Spring (April) and Late Fall (October) distributions for the Forensic Biology, Forensic DNA and Probabilistic Genotyping Software proficiency tests.**

The Spring distribution (March) and the Late Spring distribution (April) will utilize the same contributors and substrates, and the Fall distribution (September) and Late Fall distribution (October) will utilize the same contributors and substrates. Additionally, the answer submission deadline for the Late Spring and Late Fall tests will be approximately 9 weeks after distribution rather than the typical 13 weeks that is allowed for all of our other tests. For more information, please visit the products pages on the Forensic Assurance website.
